Lock and Key - History of Keys and Locks History of locks and keys goes back for several thousand years,  
reaching the very first moments when modern human civilization established their reign and started  
developing sciences and technologies that enable birth and growth of our modern way of life.

### **History of Keys - Official Site**

History of keys started at the same moment when first locks appeared in ancient Babylon and Egypt, some 6  
thousand years ago. These simple wooden devices used small pins which were hidden in a small opening  
near the bolt. By using wooden toothbrush-shaped key, Egyptians could lift those small pins and unlock the  
bolt.
