This semester we are studying India. Back in September I shared the huge India Unit packet I made. We've gone through most of that packet and have done a lot of the readings I mentioned in that post. Then while I was recovering from my surgery the kids and my mother-in-law read lots and lots of ...

2. The county/tribal nation must provide an LTCC in an institutional setting when requested. 3. If a person has a history of developmental disabilities or related conditions, the country/tribal nation must refer him/her to the DD screening team for the comprehensive diagnostic determination.

CBSM - Long-term care consultation (LTCC)

During the Golden Age of Islam, especially during the 9th and 10th centuries, mathematics saw many important innovations building on Greek mathematics. The most notable achievement of Islamic mathematics was the development of algebra. Other notable achievements of the Islamic period are advances in spherical trigonometry and the addition of the decimal point to the Arabic numeral system.
