

analyzing the european union pdf

The European Commission (EC) is an institution of the European Union, responsible for proposing legislation, implementing decisions, upholding the EU treaties and managing the day-to-day business of the EU. Commissioners swear an oath at the European Court of Justice in Luxembourg City, pledging to respect the treaties and to be completely independent in carrying out their duties during their ...

In Europe, "Federalist" is sometimes used to describe those who favor a common federal government, with distributed power at regional, national and supranational levels. Most European federalists want this development to continue within the European Union. [citation needed] European federalism originated in post-war Europe; one of the more important initiatives was Winston Churchill's speech in ...
