skills. Students must first learn these skills, practice them and develop effective study habits in order to be successful. Very often the study habits and practices developed and used in high school do not work for students in college. Good study habits include many different skills: time management, self-

A student's success in college is dependent on a number of important factors that must be learned and put into use on a routine basis. Time management, good study habits, note taking, and the ability to properly prepare for and take tests are crucial to the learning process and are often the key for even the most successful of students.
