

### **defending the lion city pdf**

The Steller sea lion (*Eumetopias jubatus*), also known as the northern sea lion and Steller's sea lion, is a near-threatened species of sea lions in the northern Pacific. It is the sole member of the genus *Eumetopias* and the largest of the eared seals (*Otariidae*) and is also the largest sea lion. Among pinnipeds, it is inferior in size only to the walrus and the two elephant seals.

The English name of Singapore is an anglicisation of the native Malay name for the country, *Singapura*, which was in turn derived from Sanskrit (शङ्ख, शङ्ख, शङ्ख, शङ्ख, शङ्ख, शङ्ख, IAST: *Śiṅṅha*; *śiṅṅha* is "lion", *pura* is "town" or "city"), hence the customary reference to the nation as the Lion City, and its inclusion in many of the nation's symbols (e.g., its coat of arms, Merlion emblem).
