That is, it is hard to imagine the woman with a weaker sex drive having more frequent sexual fantasies than the woman with the stronger sex drive. And so we searched for studies that compared men ...

The Reality of the Male Sex Drive | Psychology Today

There are plenty of men who have already learned to control their erections in ways you would find hard to imagine. These men can have multiple orgasms without losing their erections (two orgasms, three orgasms, or even more if they choose). They drive their women wild hour after hour, night after night. They're doing it right now-and

Dr. Barbara Keesling - <https://saidnazulfiqar.wordpress.com>

Does the male sex drive ever go away? For many men, the libido will never completely disappear. For most men, libido will certainly change over time. The way you make love and enjoy sex will ...

Everything You Wanted to Know About the Male Sex Drive

Men are more likely than women to drink excessively. Excessive drinking is associated with significant increases in short-term risks to health and safety, and the risk increases as the amount of drinking increases.
