Most states have, or are developing, tests to assess their students' proficiency in state frameworks of curriculum. Many of these states are including students with limited English proficiency in this assessment process, but a significant number of LEP students have difficulty passing these standardized tests.

Employment discrimination is a form of discrimination based on race, gender, religion, national origin, physical or mental disability, age, sexual orientation, and gender identity by employers. Earnings differentials or occupational differentiation—where differences in pay come from differences in qualifications or responsibilities—should not be confused with employment discrimination.

Employment discrimination - Wikipedia

King Arthur was a legendary British leader who, according to medieval histories and romances, led the defence of Britain against Saxon invaders in the late 5th and early 6th centuries. The details of Arthur's story are mainly composed of folklore and literary invention, and his historical existence is debated and disputed by modern historians. The sparse historical background of Arthur is ...
