Management Tips. All chemistry teachers should start the year by having students and parents/guardians sign a Student Safety Contract. I used this Flinn safety contract.; Show this "Lab Safety" video (requires Windows Media Player 10 or above) that was provided by Renee Diamond of the NSTA Listserve. The music in the video is from a band called "rhythm, rhyme, results."

A portable source of light probably started with a cave man carrying a burning stick of wood. There have been many portable light sources based on burning something. Once the dry cell battery became available flashlights became more popular than they were when a lead acid or other wet battery was needed.
