8 INDIAN NATIONAL MOVEMENT Notes - Home: The National

The American Indian Movement (AIM) is a Native American advocacy group in the United States, founded in July 1968 in Minneapolis, Minnesota. AIM was initially formed to address Native American affirmation, treaty issues, spirituality, and leadership while simultaneously addressing incidents of police harassment and racism against Natives forced to move away from reservations and tribal culture ...

2. Ross claims that I "joined one of England's fascist parties, the National Front, in the mid-1980s." However, by this time the NF was already in the process of expelling the fascist elements that had worked their way into the organisation during the first two decades of its existence and this is demonstrated by those NF publications that called for an end to racism and which denounced ...
