It depends on who you ask. A service manual, or factory service manual (FSM), is developed and published by the manufacture, and distributed to authorized dealerships so the mechanics could fix their own products.. Shop manuals are also referred to as factory service manuals because they are also developed and distributed to dealership mechanics.

Project Mercury was the first human spaceflight program of the United States, running from 1958 through 1963. An early highlight of the Space Race, its goal was to put a man into Earth orbit and return him safely, ideally before the Soviet Union. Taken over from the US Air Force by the newly created civilian space agency NASA, it conducted twenty unmanned developmental flights (some using ...
