History. According to The New York Times the Rockefellers first pioneered family offices in the late 19th century. Family offices started gaining popularity in the 1980s, and since 2005, as the ranks of the super-rich grew to record proportions family offices swelled proportionately.. Traditional and modern usage. A traditional single family office is a business run by and for a single family.

Good practice contract management framework. The framework is a good practice guide for managing a broad range of contracts. It is particularly relevant for contracts where services are delivered over a long period of time (five years plus) where customers need to ensure that service levels and value for money are maintained over the duration of the contract.
