social, cultural, political, economic and psychic life. Studies of the messy, complicated, fine-grained texture of social and cultural life are urgently needed.

Postfeminism and the new cultural life of feminism

Although critics often celebrate “women who are as capable as men of presidential leadership and those who pave the way to the Oval Office,” Sheeler and Anderson argue that these commentators have ignored how “this framing also comports with postfeminist rhetoric, intimating that the election of a woman president is inevitable” only the passage of time and the industry of individual women candidates are needed in order for women to conquer the final frontier of the US presidency” (21).

Project MUSE - Woman President: Confronting Postfeminist

postfeminist rhetoric in an attempt to transcend the political implications of Komen’s decision and, in doing so, fueled the controversy by highlighting the distance between the goals of her organization and the goals of the women’s health movement.
