Critical discourse analysis (CDA) is an interdisciplinary approach to the study of discourse, or put simply talk and text, that views language as a form of social practice. Scholars working in the tradition of CDA generally argue that (non-linguistic) social practice and linguistic practice constitute one another and focus on investigating how societal power relations are established and ...

This book deals with the interdisciplinary connections of the study of law and politics. It discusses jurisprudence and the philosophy of law, constitutional law, politics and theory, judicial politics, and law and society. The book reviews three prominent traditions in the empirical analysis of law and politics and, indeed, politics more broadly: judicial behavior, strategic action, and ...
