Hello, I attach a document to a PM task list (for example a pdf file). When the system creates a PM order based on this task list (using Maintenance Plans and Scheduling for Maintenance Plans), the attachment is not carried into the PM order (the attachment list is empty)

PM: Task list attachment not carried into the PM order - SAP

PLANNING Before you start the actual upgrade, you have to plan it carefully so that downtime is reduced to a minimum and the upgrade runs as efficiently as possible. We recommend that you start planning your update at least two weeks before you begin it. Software Update Manager (SUM) The SUM is the tool for system maintenance: release upgrades, EHP implementations, SP stack updates, Database ...
