A Free and Prosperous Commonwealth. While a federal government that consumes 20% of GDP (as ours did in 2007) is highly interventionist and far from the Misesian ideal, the significant expansion envisioned by the current administration moves the country closer to the boundary of socialism where, despite a democratic foundation,...

Being prosperous is a mindset – it is a way of thinking and behaving – it's an internal mindset. It's your inner world of thoughts and beliefs. If someone is financially wealthy that doesn't mean that they feel prosperous. Your financial state is not a guarantee of prosperity. You can feel prosperous and not have a lot of money.
