the power of inclusive pdf

The judiciary (also known as the judicial system or the court system) is the system of courts that interprets and applies the law in the name of the state. The judiciary can also be thought of as the mechanism for the resolution of disputes. Under the doctrine of the separation of powers, the judiciary generally does not make statutory law (which is the responsibility of the legislature) or ...

What is meant by Inclusive Design? Whilst it can be easy and tempting to build solutions based upon our own needs and experiences, if you are designing solutions which will impact other people (specific customers, colleagues or the general public), it is imperative to consider the needs of different users so that you do not unintentionally exclude anyone.
