Despite all the success you might have had with the Primal way of life, doubts can still nag at you. Maybe it's something you read, or something someone said to you, or a disapproving glance or offhand comment from a person you otherwise respect, but it's pretty common when you're doing something, like giving up grains, avoiding processed food, or eating animal fat, that challenges ...

This article is part of a special report on Red Meat. To see the other articles in this series, click here. Over the past two decades, red meat has been increasingly blamed for everything from heart disease to cancer. Newspapers and magazines love to plaster alarmist headlines about red meat across their front pages, but as you might suspect if you've been reading this blog for any length of ...
